Financial Policy & Receipt of Privacy Practices

It is our policy at a wink & a smile to provide all of our patients and customers with quality care. We will bill your insurance as a courtesy to you. We accept most PPO insurance plans and this is required as part of our contract with the insurance company. We do not accept any discount plans, HMO or DMO plans. Upon completion of treatment we will submit your claim. You will be responsible for your estimated portion on the date of your visit.

We give all of our patients an estimate of cost prior to completing treatment. In some cases, this is written and in some cases it is verbal. We do our very best to estimate your insurance payment to be as accurate as possible based on information provided to us by your insurance company. Your final payment may vary from the estimate provided to you by our office if there is a restriction, declaration, or clause in your insurance contract.

Please understand that the insurance policy is a contract between you and the insurance company. We will verify your insurance eligibility as a courtesy, **but it is your responsibility to know and understand your coverage**. Any service completed at a wink & a smile is your complete financial responsibility. We will file all primary and secondary insurance claims. If a claim is denied, it is the responsibility of the patient or responsible party to complete any appeals process. **a wink & a smile will NOT file any paperwork for internal or external reviews or paperwork associated with appeals to any insurance company.** Any balance on the account is due upon receipt of the statement, be it verbal or written. Any late or unpaid invoices/statements will be charged interest and late fees. If your account becomes past due (over 60 days), your account may be assigned to a third party collection agency or attorney and you will be liable for any and all fees associated with the transfer of account, court costs, late fees and interest.

_____ ***Scheduling:*** Appointments are normally one hour visits, with longer appointments for more extensive treatment. Your reservation requires the presence of a doctor, an assistant, and, in some cases, a hygienist. **We require a minimum of 2 business days' notice if you need to reschedule your visit.**

_____ As a courtesy, a wink & a smile will remind you of your upcoming appointment via third party. Patients will receive automated phone calls, text messages, and/or emails to remind and confirm appointments previously made by the patient or authorized party on behalf of the patient. If at any time you or an authorized party chooses to opt-out of this service, you will be responsible for keeping all reserved appointments and **will not** receive communication from our office. Should you miss or cancel an appointment without 2 business days' notice, for any reason, you will automatically be charged a failed reservation fee.

Short notice cancellation and failed reservation fees start at $100 for hygiene appointments and $150 per hour for appointments with doctors.

By signing this document, I agree to the Financial Policy of a wink & a smile and understand it is subject to change without notice. I agree that this authorization shall be valid until rescinded in writing by a wink & a smile or replaced by an updated agreement.
